RECEPTION A

The Young Men's and Women's Christ an Associations Evening

The reception of the Young Men's and Young Women's Christian Associations at Progress Hall Saturday will meet this evening was a success, and great Theodore credit is due to those who had the matter in charge. Nearly 400 guests her the students partook of the hospitality of the two associations. Informality was given a free rein, and the chief object of the reception was attained—that of making the members acquainted and show. ing the public the social side of the

The exercises given in conjunction with the reception were in charge of committees, and consisted of a short program in which Miss Wood augerist, has been rendered a delightful violin solo; Missatisf Board of Lillan Bacon, physical directions of the Young Women's Association, gave clever bar-bell drill which gave evseil dence of her skill in indoor athletic A. J. Coats, of the Young Men's Christian Association, gave a fascinating we gents or man and exhibition with fire-Indian clubs; for this exercise the lights were extinthat A. N. Kepotkai guished, Mrs. Harrison rendered vocal selections.

The invitations, which were sent out also board if desired, can during the week to members, giving assiting our "Classified" them the privilege of inviting one friend to attend the reception, was and up to date found to be impracticable for the genby Duffey & England eral purpose of the reception, and at street, in the Arlington An- a late hour Saturday it was stated that the reception would be a public Men's Christian Associa- affair, instead of semi-private, as arand a special entertainment ranged for. The result was gratifying. The hall was crowded with guests. To insure a successful introduction to one another, cards were pinned upon the garehouses, at Morgan's clothing of each guest with the wearer's name written thereon. It was a is having a grand fall clear- novel idea, and entirely successful. mean a pairs for 25 cents; The reception was brought to a close

Coronado NATURAL MNERAL

was Water

Nature, which is more kind to us than we are ourselves, has given to mankind a perfectly pure, cooling and healthful water which bubbles as clear as crystal from the springs at Coronado, California, where it is bottled fresh as it comes from Nature's laboratory. It does not require to be carbonated with artificial gas to make it sparkle-Nature herself makes it all sparkling.

> PURE COOLING HEALTHFUL

for organic matter which oftentimes gets into the system and causes bad blood, indigestion and that "tired feeling." It assimilates perfectly with the gastric juices of the stomach, thereby aiding digestion. At the present time Coronado water will prove invaluable to the residents of the Hawalian Islands, who, since the recent storms, with organic matter.
